Additional Notes:

During our scheduled LE Site Visit with the San Bernardino County Sheriff's Department they were in the middle of managing the "Pilot Fire" (7,861 acres burned) and associated evacuations for public safety. Neither Sgt. Harris nor Sgt. Mulligan was able to take us out on a tour of their OHV areas due to their emergency management duties. The information that they had regarding the Pilot Fire was that the origin of the fire was from a Polaris Razor that caught on fire while the enthusiasts were riding in the Pilot Rock Truck Trail area (USFS Road 2N33). Sgt. Mulligan said that he believed that there may have been a recall of certain year/model Razor's due to fire hazard. The USFS Law Enforcement Officers are investigating the source and circumstances of this fire. The Grantee requested three "Exempt" stickers for their Polaris Razor and two Polaris ATVs; which we supplied.
